

12th June 2024

CERTIFICATE

To Whom It May Concern,

This is to certify that Mr. Abdul-Aziz Mohammed was employed at COLDSiS Ghana Limited as a Lead Software Engineer and Assistant Head of the Software Department from January 2020 to July 2024.

COLDSiS Ghana Limited is a leading Ghanaian software development and technology solutions company dedicated to delivering high-quality enterprise systems, web and mobile applications, and innovative cloud-based services to clients in various sectors, including education, finance, health, and logistics.

During his tenure, Mr. Abdul-Aziz was a key member of the Software Department, entrusted with significant responsibilities that reflected his technical expertise and leadership capabilities. His core responsibilities included:

- Developing robust and efficient full-stack applications.
- Managing and maintaining AWS cloud deployments.
- Building and maintaining CI/CD pipelines using Jenkins for seamless integration and deployment.
- Designing and deploying scalable micro-services and RESTful APIs using Spring Boot and React.
- Developing large-scale enterprise applications using Spring Boot.
- Supporting the development and maintenance of Ayaana Schools Monitoring and Management System, one of the company's major in-house applications, designed to help educational institutions monitor academic performance, manage student data, and streamline administrative tasks.
- Mentoring junior developers and guiding interns to help them grow professionally.

COLDsis
innovate. design. automate.

- Implementing custom APIs and integrating various third-party APIs for enhanced application functionality.
- Collaborating with other departments to ensure the successful delivery of cross-functional projects.

Throughout his time with us, Mr. Abdul-Aziz consistently demonstrated strong leadership, excellent problem-solving skills, and a proactive approach to software engineering. He successfully led and completed numerous critical projects, often exceeding expectations. He is also known for being a great team player, providing valuable support and mentorship to peers and junior team members alike.

His exceptional performance earned him several Employee of the Month awards, recognizing his commitment, innovation, and contribution to the company's growth. His ability to manage complex tasks while maintaining a collaborative team environment made him a highly respected and valued member of our organization.

We highly recommend Mr. Abdul-Aziz Mohammed for any future role or opportunity he may pursue and are confident that he will be an asset to any team or organization.

We wish him continued success in all his future endeavors.

Yours Faithfully,

Grace Doe Kwakye

HR/Admin Manager
